

dear diary

the second world war has just started. I am so scared i really dont want to die now.
i can hear bombs going off all over iia m being evacuated i can only take with me a few things m shoes a dress knickers and m coat and a ver, small teddy in m pocket. i think we are going on a train somewhere where into the contr..side with alot of other children i havnt eaten for a crew da..proper ..as the shops are nearl, a l gone .we are nearly at the country side i don't know what mh new parents are like i hope theh are verh.. nice ..we are here some bodyis calling me " tilly tilly"

Bf for now write to you tomorow
